

Paul Gilbert, Beautiful Girls Are Insane

I want you near me
You don't want anything to do with me
When will it get through to me
That beautiful girls
Want beautiful boys
And you can't blame the girls
'Cause they never had a choice
There's a hole in my pocket
A hole in my brain
All the beautiful girls are insane

I miss you constantly
Your kiss is breaking down my honesty
Changing all the best in me
'Cause beautiful girls
Want beautiful boys
And you can't blame the girls
'Cause they never had a choice
There's a picture in my pocket
I don't want to know her name
All the beautiful girls are insane

I know what's right for me
Why won't my heart stand up and fight for me
When you say goodnight for me
'Cause beautiful girls
Get all of the boys
And you can't blame the girls
'Cause they never had a choice
There's a hole in my pocket
A hole in my brain
All the beautiful girls are insane
