

Paul Gilbert, Girl Crazy

Stuck in a world
Where weaknesses are sweet and many
Stuck with a girl
Who's in love with things that I haven't any
Another song
Where I leave and try to feel no sorrow
What good's the love
When I don't know where I'll be tomorrow
Girl crazy
Girl crazy

I'm girl crazy, It's breakin' my heart
I'm girl crazy, It's breakin' my heart

Some magazines
That don't leave much to imagination
Color my dreams
So at night I feel a good sensation
Not having a wife
Can sometimes make it easy living
But all of my life
I can't ignore what they are giving
Girl crazy
Girl crazy

I'm girl crazy, It's breakin' my heart
I'm girl crazy, It's breakin' my heart

Come up with a line
To get it all and not have to beg
Have a good time
Lord knows I love to feel her hand on my leg
Girl crazy
Girl crazy

I'm girl crazy, It's breakin' my heart
I'm girl crazy, It's breakin' my heart
