

Paul Gilbert, Girlfriend's Birthday

She's gonna kill me
Don't need a bullet or a gun
She's gonna drop me
After a year of havin' fun

Nothin' I can do, nothin' I can say
'Cause I just forgot my girlfriend's birthday

I just forgot my girlfriend's birthday
I just forgot my girlfriend

She's gonna leave me
She's gonna hang me out to dry
It ain't no mystery
Don't have to guess the reasons why

Nothin' I can do, nothin' I can say
'Cause I just forgot my girlfriend's birthday

I just forgot my girlfriend's birthday
I just forgot my girlfriend

Something's wrong
She can't hide
That it's been so long
Since anybody tried
To remember on the day
There's just got to be a way
To change her mind 'bout leaving me behind

She's gonna hurt me
She's gonna cut right through my skin
I keep on knockin'
But she will never let me in

Nothin' I can do, nothin' I can say
'Cause I just forgot my girlfriend
I just forgot my girlfriend
I just forgot my girlfriend's birthday

I just forgot my girlfriend's birthday
I just forgot my girlfriend's birthday
I just forgot my girlfriend's birthday
