

Paul Gilbert, Heavy Disco Trip

I'm just startin' on my heavy
I'm just startin' on my heavy
I'm just startin' on my heavy disco trip

These are not the best years of my life
These are not the best friends that I'll ever have
This girl ain't gonna be my wife
Thinkin' about it kinda makes me laugh

I'm just startin' on my heavy
I'm just startin' on my heavy
I'm just startin' on my heavy disco trip

This is not the way I'm gonna look
This is not the way I'm gonna wear my face
Won't go the way they say I should
I know a better way to spend my days

I'm just startin' on my heavy
I'm just startin' on my heavy
I'm just startin' on my heavy disco trip
