

Paul Gilbert, I Feel The Earth Move

I fell the earth move under my feet
I feel the sky tumblin' down
I feel my heart start tremblin'
Whenever you're around

Ooh baby
When I see your face
Mellow as the month of may
Oh darlin'
I can't stand it
When you look at me that way

I fell the earth move under my feet
I feel the sky tumblin' down
I feel my heart start tremblin'
Whenever you're around

Oh darlin'
When you're near me
And you tenderly call my name
I know that
My emotions
Are something I just can't tame

I fell the earth move under my feet
I feel the sky tumblin' down
I fell the earth move under my feet
I feel the sky tumblin' down

I just lose control
Down to my very soul
I get hot and cold
All over, all over

I fell the earth move under my feet
I feel the sky tumblin' down, tumblin' down
I fell the earth move under my feet
I feel the sky tumblin' down, tumblin' down
Tumblin' down, tumblin' down
