Paul Gilbert, I Like Rock

I like rock Music will never stop Gimme electric shock I like rock

Turn it loud Wanna go scream and shout Get my emotions out I like rock

Yeah I wanna play guitar everyday Yeah I wanna play guitar everyday I like to crank it, crank it all the way Yeah I wanna play guitar everyday

I like rock Music will never stop Gimme electric shock I like rock

Yeah I wanna play guitar everyday Yeah I wanna play guitar everyday I like to crank it, crank it all the way Yeah I wanna play guitar everyday

I like rock Music will never stop Gimme electric shock I like rock

Turn it loud Wanna go scream and shout Get my emotions out I like rock
