

Paul Gilbert, Keep On Keepin' On

I had my reasons to quit my band
And I got no woman to hold my hand
I'm feelin' lonely
But I've been through this before
I've got to keep on keepin' on

I've got this guitar with a broken string
I've a big house now it's up for sale
I'm always movin'
But I've come this way before
I've got to keep on keepin' on

I do my best to play this game of love
But will it last this time
We'll see
I've got to keep on keepin' on

If I could give advice
Here's what I'd say
It's just the same shit
On a different day
So just keep movin'
And you'll find your way
To be strong
You got to keep on keepin' on

I do my best to play this game of love
But will it last this time
We'll see
I've got to keep on keepin' on
Gotta keep on keepin' on
