

# Paul Gilbert, Rosalinda Told Me

I don't have any practiced pick-up lines  
I just know when I saw you there  
I thought maybe someday you'd be mine

I could blow you away  
With my own confidence  
But I don't know your name  
So I'm asking your friend

Rosalinda told me your name  
And smiled at the thought of you  
Rosalinda told me you don't play games  
But that wasn't all  
That Rosalinda told me 'bout you

So I gave you my number, hoped you'd call  
Thought that maybe we'd get together  
And spend time forgetting it all

Still I haven't heard back  
But that won't stop me  
Cause your friend Rosalinda  
Had said you were free

Rosalinda told me your name  
And smiled at the thought of you  
Rosalinda told me you don't play games  
But that wasn't all  
That Rosalinda told me 'bout you

Only a matter of time  
'Till you see it's right  
Only a matter of time  
Like tomorrow night  
Only a matter of time  
I'm not worrying at all  
You're gonna feel the same  
As I do for you  
Although it's looking like rain  
I'm not feeling blue  
Only a matter of time  
Like the rain you're gonna fall

Solo

I don't have any better place to go  
Doesn't make any difference cause  
You're the one girl that I'd like to know

Yeah you blow me away  
With your own confidence  
And I'll thank Rosalinda  
From now till the end

Rosalinda told me your name  
And smiled at the thought of you  
Rosalinda told me you don't play games  
But that wasn't all that Rosalinda told me 'bout you
