

# Paul Gilbert, Six Billion People

There are six billion people on this planet  
But I'll only ever fall in love with two  
One is a black and white photo of Grace Kelly  
And the other you might like to know is you

There are six billion people on this planet  
And you'd think in all this time I'd find some more  
I've looked in both the city and the country  
But you're the only one that my heart's beating for
