

Paul Gilbert, Suicide Lover

She was the best girl that I ever kissed
How was I to know she was a terrorist
But she didn't mean to hurt me
Yeah, in fact she looked surprised
When her love exploded right into my eyes

She's a suicide lover
You could say her love's the bomb
Suicide lover
She's in a crowded street
Dosen't need a gun
She won't stop
'till she's makin' love to everyone

She was watchin' all the news 'bout Israel
How the war was making people miserable
She believed in human karma
And the problem couldn't wait
She would use the power of love to conquer hate

She's a suicide lover
You could say her love's the bomb
Suicide lover
She's in a crowded street
Dosen't need a gun
She won't stop
'till she's makin' love to everyone

I tried to tell her it's not sensible
But she might as well do it with me
She might as well do it with me
She might as well do it with me

solo

She was the best girl that I ever had
When I think about her I start going mad
But she didn't mean to hurt me
And she told me not to wait
I was not the only serving on her plate

She's a suicide lover
You could say her love's the bomb
Suicide lover
I wonder where she's gone
Suicide lover
Come on, come on, come on
Suicide lover
She's in a crowded street
Dosen't need a gun
She won't stop
'till she's makin' love to everyone
