

# Paul Gilbert, Tell The Truth

All I want to  
Do is dance  
All I want is  
What's inside your pants  
Sometimes it's uncouth  
To tell the truth

If you ask me  
I will confess  
All I want is  
What's inside your dress  
Sometimes it's uncouth  
To tell the truth

I don't want to  
Sit here and talk  
All I want to  
Do is....  
Sometimes it's uncouth  
To tell the truth
