

# Paul McCartney, Beck, Find My Way

Well, I can find my way  
I know my left from right  
Because we never close  
I'm open day and night

I know my way around  
I walk towards the light  
I'm open 'round the clock  
I don't get lost at night

You never used to be afraid of days like these  
But now you're overwhelmed by your anxieties  
Let me help you out  
Let me be your guide  
I can help you reach the love you feel inside
