

# Paul McCartney, Calico Skies

It was written that I would love you  
From the moment I opened my eyes  
And the morning when I first saw you  
Gave me life under calico skies

I will hold you for as long as you like  
I'll hold you for the rest of my life

Always looking for ways to love you  
Never failing to fight at your side  
While the angels of love protect us  
From the innermost secrets we hide

I'll hold you for as long as you like  
I'll hold you for the rest of my life

Long live all of us crazy soldiers  
Who were born under calico skies  
May we never be called to handle  
All the weapons of war we despise

I'll hold you for as long as you like  
I'll hold you for the rest of my life  
I'll hold you for as long as you like  
I'll hold you for the rest of my ...  
For the rest of my life
