

Paul McCartney, Comin' Up

you want a love to last forever
one that will never fade away
i want to help you with your problem
stick around i say
it's comin' up
it's comin' up
it's comin' up (like a flower)
it's comin' up
ya
you've got it
you want a friend
you can rely on
one who will never fade away
i know you're searching for an answer
stick around i say
it's comin' up
it's comin' up
it's comin' up (on the hour)
it's comin' up
yeah
you want a better kind of future
one that everyone could share
you're not alone we all could use it
stick around, we're nearly there
it's comin' up
it's comin' up
it's comin' up (like a flower)
it's comin' up
you want a love to last forever
one that will never fade away
i'd like to help you with your problem
stick around, pretty baby i say
it's comin' up
it's comin' up
it's comin' up (like a flower)
it's comin' up
it's comin' up (on the hour)
it's comin' up
it's comin' up
it's comin' up
it's comin' up (like a flower)
it's comin' up
