

# Paul McCartney, Little Willow

Bend, little willow  
Wind's gonna blow you  
Hard and cold tonight

Life, as it happens  
Nobody warns you  
Willow, hold on tight

Nothing's gonna shake your love  
Take your love away  
No one's out to break your heart  
It only seems that way... hey

Sleep, little willow  
Peace gonna follow  
Time will heal your wounds

Grow to the heavens  
Now and forever  
Always came too soon

Little willow

Nothing's gonna shake your love  
Take your love away  
No one's out to break your heart  
It only seems that way... hey

Bend, little willow  
Wind's gonna blow you  
Hard and cold tonight

Life, as it happens  
Nobody warns you  
Willow, hold on tight

Ah, little willow
