

Paul McCartney, New

Don't look at me,
It's way too soon to see
What's going to be,
Don't look at me
All my life I never knew what we could be
What I could do
When we were new.

You came along and made my life a song
Oh, lucky day you came along
Just in time while I was searching for the light
You came along, then we were new

We can do what we want, we can live as we chose
You see, there's no guarantee, we've got nothing to lose

Don't look at me,
It's way too soon to see
What's going to be,
Don't look at me
All my life I never knew what we could be
What I could do
When we were new.

We can do what we want, we can live as we chose
You see, there's no guarantee, we've got nothing to lose

Don't look at me,
It's way too soon to see
What's going to be,
Don't look at me
All my life I never knew what we could be
What I could do
When we were new.

Then we were new
Now we are new
