

# Paul McCartney, Party

(Robinson)

Some people like to rock, some people like to roll,  
but moving and a grooving gonna satisfy my soul.  
Let's have party, let's have party, send it to the store,  
let's buy some more, let's have party tonight.

I've never kissed a bear, I've never kissed a goon,  
but I can shake a chicken in the middle of the room.  
Let's have party, let's have party, send it to the store,  
let's buy some more, let's have party tonight.

Now, honky-tonky Joe is knocking at the door,  
bring him in and fill him up and set him on the floor.  
Let's have party, yeah, let's have party, send it to the store,  
let's buy some more, let's have party tonight.  
Party, party, well, I feel it in my leg, feel it in my shoe,  
tell me, pretty baby if you think you feel it too.  
Let's have party, let's have party,  
oh, I'm gonna send it to the store, let's buy some more,  
let's have party tonight.

Some people like to rock, some people like to roll,  
but moving and a grooving gonna satisfy my soul.  
Let's have party, let's have party, send it to the store,  
let's buy some more, let's have party tonight.  
We're gonna send it to the store, let's buy some more, have party tonight.

Oh yeah, we're gonna have ourselves a little party, yeah, yeah, tonight.  
I'm not giving in, man, I'm gonna have a party, yeah.  
Party, party, yeah, I'm not going home yet,  
send it to the store, let's buy some more, we're gonna have a party tonight.

Some people like to rock, people like to roll,  
but moving and a grooving gonna satisfy my soul, let's have a party.
