(Larry Williams)

Dam deedle dee dam dam Little girl, where did you come from Try a little bit to make my mouth dribble Come on baby, let's ride away in the rain

Baby you drive me crazy Drive my poor heart hazy Just a little bit A little while with you Come on baby, let's ride away in the rain

She said yeah, dam deedle dee dam dam She said yeah, dam deedle dee dam dam She said yeah, yeah yeah Come on baby I want to make love to you

Well you drive me crazy
Dam deedle dee dam dam
My love is lazy
Dam deedle dee dam dam
Little miss I want to kiss
Come on baby, won't you do what I wish

She said yeah, dam deedle dee dam dam She said yeah, dam deedle dee dam dam She said yeah, yeah yeah Come on baby I want to make love to you

Well I got the feeling, dam deedle dee dam dam In my soul, dam deedle dee dam dam I'm gonna love you, you know One night or another Come on baby, let me hear you say you love me

She said yeah, dam deedle dee dam dam She said yeah, dam deedle dee dam dam She said yeah, yeah yeah Come on baby I want to make love to you
