

Paul McCartney, So Like Candy

So Like Candy

Here lies the powder and perfume

The pretty clothes are scattered 'round the room

And it's so like Candy

Here lies the lipstick and the face

The colored tablets keep it all in place

And it's so like Candy

So like Candy

What did I do

To make her go

Why must she be the one

That I have to love so

So like Candy

Here lies a picture of a girl

Her arms are tight around that lucky guy

And it's so like Candy

And in her eyes a certain look

I thought I'd seen the last of long ago

And it's so like Candy

So like Candy

What did I do

To make her go

Why must she be the one

That I have to love so

I remember the day that picture was taken

We were so happy then

But that's so like Candy

She seemed so sweet to me

I was mistaken

Oh no not that again

But that's so like Candy

She just can't face the day

So she turns and melts away

Here lie the records that she scratched

And on the sleeve I find a note attached

And it's so like Candy

"My Darling Dear it's such a waste"

She couldn't say "goodbye", but "I admire your taste"

And it's so like Candy

So like Candy
