

# Paul McCartney, Tough On A Tightrope

You don't feel right when I come on strong  
Don't get me wrong..  
I wait all night but you won't be long  
Don't get me wrong

Hear me right. I love you from the bottom of my heart  
You make the answer bright  
You touch me in a way that no-one else could ever do  
If you'll only love me, I'll love you

And if you're tempted to tell a lie  
Don't get it wrong..  
Well it breaks my heart when I see you cry  
Don't get it wrong

Get it right  
The brightest light that's shining in the skies  
Is shining from your eyes  
I love you in a way, that no-one else could ever do  
If you'll only love me, I'll love you

I'm often accused of giving to little  
It's got me confused I'm split down the middle  
Conflicting reviews of our life coming in  
It's tough on a tightrope, Yes it's tough on a tightrope

Hear me right. I love you from the bottom of my heart  
You make the picture bright  
You touch me in a way that no-one else could ever do  
If you'll only love me, I'll love you

Tough on a tightrope
