

Paul Mescal, Slip Away (Carmen - Original Motion

A river come and carry me
Till I return to Eskimo and stone
Bravery spirit guide us home

Don't slip away, stay with me
Forever like sand on the ocean
Don't slip away

Only wild open place
A barren sky, circling bowls of grace
The wind grown on me whistling the change

Don't slip away, stay with me
Forever like sand on the ocean
Don't slip away
