

# Paul Oakenfold, Get Out Of My Life

This was such a go, , so take it all right  
Shook it when it's low, low, low and taste it all right  
Sea crashed in and the swordfish gone  
Not too lonely, no  
Don't you let me go, go, go and you'll take it all right  
Get out of my life  
Get out of my life, all right  
Yeah, get out of my life  
Get out of my life, all right  
Tell me what you know, know, know you'll take it all right  
Gotta take it slow, low, low you'll make it all right  
Sea crashed in and the swordfish gone  
Not too lonely, no  
Don't you let me go, go, go and you'll take it all right  
All right  
Get out of my life  
Get out of my life, all right  
Get out of my life  
Get out of my life, all right, all right  
Yeah, get out of my life  
Get out of my life, all right  
Get out of my life  
Get out of my life, all right, all right  
Come on little dreamer  
mind to touch my brain  
Come and see the drugstore nights  
And they'll treat you just the same  
Love is like a stranger and a friend  
Time with the devil  
Time with the devil  
Time with the devil  
Get out of my life  
Get out of my life, all right  
Get out of my life  
Get out of my life, all right, all right  
Yeah, get out of my life  
Get out of my life, all right  
Get out of my life  
Get out of my life, all right, all right  
Get out of my life...
