

Paul Revere & The Raiders, Dont Take It So Hard

Good Thing

Paul Revere & The Raiders

ssshhh, ahh

Seems this worlds gotch you down

Your feelin bad vibrations frown

Well, open your eyes girl, look at me

Im gonna show you how it ought to be

Were gonna have a good thing

Such a good thing baby

And when your world dont seem just right

And lifes gettin you uptight

You can change that wrong to right (wrong to right)

Cause I was there myself last night (there last night)

Girl, I really had a good thing

Such a good thing baby

I, I, I wont have no one now

No one around, to bring you down

Well... groovy world, girl

Let me bring you to a good, good, good, good thing girl

Gotta hear me, you cant please them all, should you try

They dont care if you live or die

Cause their losers, what a shame (what a shame)

Im gonna show you to a brand new game (brand new game)

Girl, were gonna have a good thing

Such a good thing, baby

I wont tell you no, no, no lies

When Im through, youll realize

For the first time it seems right (feels so right)

Im gonna stay right here tonight (stay tonight)

Girl, well really have a good thing

Such a good thing, baby

Nobody, no one around, to bring you down

Well... groovy world, girl

Let me bring you to a good, good, good, good thing

such a good thing, girl

such a good thhiinnng, baby

such a, such a, such a, good thing, baby
