

# Paul Rodgers, Louisiana Blues

I'm goin' down in Louisiana  
Be, be, behind the sun  
I'm goin' down in Louisiana  
Honey, behind the sun  
Well, you know I just found out  
My troubles just begun  
I'm goin' down in New Orleans, hmm  
Get me a  
mojo hand  
I'm goin' down in New Orleans  
Get me a mojo hand  
(spoken: oh take me with you, man, when you goin')  
I'm 'on show all you good lookin' women  
Yes, how to treat your love  
(spoken: let's go back to New Orleans)
