

# Paul Simon, Something So Right

You've got the cool water  
When the fever runs high  
You've got the look of lovelight  
in your eyes  
And I was in crazy motion  
Til you calmed me down  
It took a little time  
But you calmed me down

When something goes wrong  
I'm the first to admit it  
I'm the first to admit it  
But the last one to know  
when something goes right  
Well it's likely to lose me  
It's apt to confuse me  
It's such an unusual sight  
I can't get used to something so right  
Something so right

They've got a wall in China  
It's a thousand miles long  
To keep out the foreigners  
They made it strong  
I've got a wall around me  
You can't even see  
It took a little time  
To get to me

Chorus

Some people never say the words  
I love you  
It's not their style  
to be so bold  
Some people never say those words  
I love you  
But like a child they're longing  
to be told

Chorus
