Paul Simon, Something So Right

You've got the cool water
When the fever runs high
You've got the look of lovelight
in your eyes
And I was in crazy motion
Til you calmed me down
It took a little time
But you calmed me down

When something goes wrong
I'm the first to admit it
I'm the first to admit it
But the last one to know
when something goes right
Well it's likely to lose me
It's apt to confuse me
It's such an unusual sight
I can't get used to something so right
Something so right

They've got a wall in China It's a thousand miles long To keep out the foreigners They made it strong I've got a wall around me You can't even see It took a little time To get to me

Chorus

Some people never say the words I love you It's not their style to be so bold Some people never say those words I love you But like a child they're longing to be told

Chorus
