

Paul Stanley, Wake Up Screaming

PAUL STANLEY
LIVE TO WIN (2006)

WAKE UP SCREAMING - (Paul Stanley / Desmond Child / Andreas Carlsson) [Verse]

In a bed in my room
All wrapped up in my own cocoon
In my head I see you
Like I'm stuck in a dja-vu
And it's always the same mind games
It's a dangerous situation, insane
It's a warp on my soul and I've lost all control

[Chorus]

When I'm all alone and I dream of you
I wake up, I wake up screaming
9-1-1, no one hears my cries
I break up, I wake up screaming

[Verse]

Why must I grieve
For a lie that I still believe
It's a waste, what a sin
It's a fight I can never win
Anywhere that I go, you go
Baby, even in my own reflection, you show
Like a ghost by my side with a hold on my mind

[Chorus]

Ooh-ooooh...

[Guitar Solo]

On and on
I'm running in slow motion
'Till the dawn
When the morning saves me...

[Chorus]

All alone and I dream of you
I wake up, I wake up screaming
9-1-1, no one hears my cries
I break up, I wake up screaming
