

Paul Van Dyk, One And One

The sky isn't alway blue
The sun doesn't always shine
It's all right to fall apart sometimes
I am not always you
And you are not always mine
It's all right to fall part sometimes

CHORUS:

After all is said and done
One and one still is one
When we cry, when we laugh
I am half you are half
A heart isn't always true
And I am not always fine
We all have an angry heart sometimes

CHORUS:

After all is said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is...
One moon. One star
I love the one we are
One friend. One love
It's standing still in time

CHORUS:

After all's said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is one.
ahhhhhhhhhhhh
oooooohhhhhh
