## Paul Van Dyk, Pictures (Paul Van Dyk Remix)

"I wanna take pictures of you I wanna take pictures of you

You wanna go for a ride? So get in the car I wont hurt you... unless you ask me to... hurt you... boy I wont hurt you... unless you ask me to... hurt you... boy Now take off your clothes

Now take off your clothes
I wanna take pictures of you... boy
I wanna capture you in digital
I wanna take pictures of you... boy
Take off your clothes
I wanna take pictures of you... boy
Take off you clothes
I wanna take pictures of you

I wanna take pictures of you I wanna take pictures of you I wanna take pictures of you I wanna take pictures of you"
