

Paul Van Dyk, Tell My Why

Tell me why,

tell me why

Wonder if I could open my heart again (if I could, if I could, if I could)

Must be me why I feel like start again

Wonder if I could open my heart again (heart again, heart again)

Must be me why I feel like smile again

The morning comes and the snow is falling (x4)

Tell me why, tell me why

Tell me why, tell me why

The morning comes and the snow is falling

The morning comes and the snow is falling

The morning comes

I can understand the reason

And snow the is falling (tell me why)

Repeat
