

Paul Van Dyk, We Are Alive (DJ Icey's Arctic Bass)

Have you seen a mother
Kiss her son goodbye.
Have you seen a dark cloud?
Fight a silver line
I have seen a loved one
Tell a million lies

Karma's like a boomerang
Whirling deep inside.

May not know
A thing about you.
You don't know
A thing about me.
May not know
A thing about you

But if we really feel...

We are ali-i-i-ve...
Take a breath
We are ali-i-i-ve...
Take a deep breath
We are ali-i-i-ve...
Take a breath
We are ali-i-i-ve...
Take a deep breath

We're alive

Put me on an airplane
Let's fly up to the sky
Help me, love will be
The fool's game to get me high.
Let's drive down this highway,
Feel the future vain.
Let this twist and wanna love you so,
Here we go.

You don't know
A thing about me.
I don't know
A thing about you.
You don't know
A thing about me.

But let's enjoy the view...

We are ali-i-i-ve...
Take a breath
We are ali-i-i-ve...
Take a deep breath
We are ali-i-i-ve...
Take a breath
We are ali-i-i-ve...
Take a deep breath

Don't take yourself too seriously.
Relax, release the heat

We may wear different clothes,
Pray to God in different vogues

But we're not alone.

We are alive...

We are ali-i-i-ve...

Take a breath

We are ali-i-i-ve...

Take a deep breath

We are ali-i-i-ve...

We are alive, we're alive yeah

We are ali-i-i-ve

We are alive

We are alive

Take a deep breath

Take a deep breath

Take a deep breath

Take a deep breath
