

Paul Weller, Close To You

Why do Birds, suddenly appear,
Everytime you are near?
Just like me
They long to be
Close to you

Why do stars,
Fall out of the sky?
Everytime you walk by
Just like me
They long to be
Close to you

From the day that you were born
The angels got together and decided to create a dream come true
So they sprinkled moondust in your hair
of gold and starlight in your eyes of blue

That is why all the guys in town
Follow you all around
Just like me
They long to be
Close to you

From the day that you were born
The angels got together and decided to create a dream come true
So they sprinkled moondust in your hair
Of gold and starlight in your eyes of blue

That is why all the guys in town
Follow you all around
Just like me
They long to be
Close to you

Just like me
They long to be
Close to you

Just like me
They long to be
Close to you

Just like me
They long to be

Just like me
They long to be
