

# Paul Weller, Feelin' Alright

Seems I've got to have a change of scene  
'Cause every night I have the strangest dream  
Imprisoned by the way things used to be  
Left here on my own or so it seems  
I've got to get out before I start to scream  
'Cause someone's locked the door and took the key  
You feeling alright?  
I'm not feeling too good myself

Well boy, you sure took me for one big ride  
And even now I sit and wonder why  
An' then I think of you and I start to cry  
But I just can't waste my time and must keep dry

Gotta stop believing in all your lies  
'Cause there's too much to do before I die  
Don't get too lost in all I say  
Though at the time I really felt that way  
But that was then and now it's today

Oh - can't get out feeling, so I'm here to stay  
Til someone comes along to take my place  
With a different name, just a different face  
You feeling alright?  
I'm not feeling too good myself
