

Paul Weller, Hercules

All we fear, is fear itself
Check out your own backyard before you check out someone else
Railroad track, in my neighbourhood
Aint no trains around this place, just aint no good

And all I know, is whats going down,
When the dealer on the corner looks like the sharpest cat in town
Jungle rule, cant be no fool
Might get caught by the hook or crook, no time for cool

Look out kid, what you did, what you carrying brother
I hope youre clean cause the man is mean, dont come another further

We all know the answers, must come out in time
I might even carry some of your load, right along with mine

Thank you maam, mister please
but I must be Hercules
I must be Hercules

Like a bird, on the wing
I just wanna be free enough to do my thing
I can feel the pressure, from every side
If you dont wanna help, dont hurt, just stand aside

We all know the answers, must come out in time
I might even carry some of your load, right along with mine

Thank you maam, mister please
but I must be Hercules
Hercules
oh Hercules

Hercules
I must be Hercules

Got your feet, in the sand
Got to be down with the cats in town, but still got the face the man

Talk about me if you please but I must be Hercules
Hercules
oh Hercules

Talk about me if you please but I must be Hercules
must be Hercules.
