Paul Westerberg, A Few Minutes Of Silence

Play me what I want to hear Don't make me have to come down there Forgot how to think and I don't wanna dance I wanna hear few minutes, few minutes, few minutes, of silence Few minutes, few minutes, of silence It's me, I'm back for my request Cut me some slack and give it a rest

Sex and money and violence I wanna hear few minutes, few minutes, of silence

Few minutes, few minutes, few minutes of silence

Silence

Silence

You know the reason I'm listening for One more note and I'm out that door Is it too much to ask for my request

Few minutes few minutes of silence

Few just a few few minutes come on come on just give me some silence

Few just a few few minutes all I ever wanna hear is silence

Few just a few few minutes few minutes of
