

# Paul Westerberg, Homelessexual

Well I can't play as I give a darn...  
I got no damn place to go  
I got no damn place to go  
I'm a homelessexual  
I got no darn place to stay  
I got no darn place to stay  
I'm a homelessexual  
Well I'm shacking up with squirrels  
And I don't like nothing in this world  
I got no damn place to go  
I got no damn place to go  
I'm a homelessexual  
I'm shacking up with squirrels  
And I don't like nothing in this world  
I got no damn place to go  
I got no damn place to go  
I'm a homelessexual  
I'm a homelessexual  
And I'm homeless...
