

Paul Westerberg, Hot Un

Hot un, hot un...

Are you down and out or are you up for grabs?

I see your pout and your set of abs

Look at them curves, now that's somethin'

Check out the girl on that belly button

She's a hot un (hot un)

I lost my hearing, not all but some

I got an earring that I dangle from

Triangulate[?] a hernia for you

Just look at the girl on that tatoo

(Hot un)

Oh grandpa needs his rest, boy he needs a yes

All them chest hair [?] ain't no goddamn fun

Grandpa needs a nap, boy he gets a slap

Just look at the girl on that belly button

Get down!

She don't keep it hidden, she don't know what to do

Look at that sexy kitten there on that tatoo

Well it's all in jest, it's all in fun

Yeah check out the girl on that belly button

(Hot un)

She's a (hot un)

She's a (hot un)...
