

Paul Westerberg, Make Your Own Kind Music

Nobody can tell ya
There's only one song worth singing
They may try and sell ya
Cause it hangs them up
To see someone like you

You gotta make your own kind of music
Sing your own special song
Make your own kind music
Even if nobody else sings along

It can't be nowhere
The loneliest kind of lonely
It may be
Just to do your thing is the hardest things to do

You gotta make your own kind of music
Sing your own special song
Make your own kind music
Even if nobody else sings along

And if you will not take my hand
Then I must be going, I'll understand

You gotta make your own kind of music
Sing your own special song
Make your own kind music
Even if nobody else sings along

You gotta make your own kind of music
Sing your own special song
Make your own kind music
Even if nobody else sings along

You gotta make your own kind of music
Sing your own special song
Make your own kind music
Even if nobody else sings along

No no no no
Even if nobody else sings along
If nobody else sings along
