

Paul Westerberg, Mr. Rabbit

mr rabbit, mr rabbit
your coat is mighty grey
yes, bless god it's made that way

every little soul must shine
every little soul must shine

mr rabbit, mr rabbit
your ears are mighty long
yes by god they're put on wrong

every little soul must shine
every little soul must shine

mr rabbit, mr rabbit
you ears are mighty thin
yes bless god, they're splitting the wind

every little soul must shine
every little soul must shine
every little soul must shine
every little soul must shine

mr rabbit, mr rabbit
your eyes are mighty red
yes bless god i'm almost dead

every little soul must shine
every little soul must shine
