

# Paul Westerberg, Only Lie Worth Telling

Call me when your arms are empty  
That's the only way it can be  
Call me when you're full of pretty lies  
Call me when your eyes are empty  
And open all night  
You lied enough  
Open wide enough  
To drive a truck straight through  
Only lie worth telling  
Is I'm in love with you  
Only lie worth telling  
Is I'm in love with you  
Call me when you think you're leavin'  
Hope you know you're not deceiving  
Me again just like you think you should  
Call me when your arms are empty  
And open all night  
You lied enough  
Open wide enough  
To drive a truck straight through  
Only lie worth telling  
Is I'm in love with you  
Only lie worth telling  
Is i'm in love with you  
if you need someone  
to tell everything you've done  
then lie to me  
i'm the one who can attempt to be your friend  
if you need someone  
to tell everything you've done  
then lie to me  
i'm the one who can still pretend  
call me when your eyes are empty  
and open all night  
you lied enough  
open wide enough  
to drive a truck straight like a knife  
only lie worth telling  
is i'm in love with you  
i'm the only lie worth telling  
i'm in love with you  
only lie worth telling  
i'm the only lie worth telling
