

# Paul Westerberg, Psychopharmacology

Feelin' better than yesterday, and worse than tomorrow  
It's depressing for me to say I been dressing like Greta Garbo  
Oh psychopharmacology works wonders, wonder will it work on me?  
They been searching for a cat who matches that perscription  
Sign up for a chat, they said we'll cure your addiction  
Well psychopharmacology works wonders, wonder will it work on me?  
Yeah psycho...  
I need something to calm me down  
I need something to keep me focused  
Narcaleptic, paranoid, and borderline hopeless  
ADD, PCP, F-U-C-K-E-D that's me.  
I'm feelin' better than yesterday, and I'm havin' none of that  
They say all the world's a stage, it's more like a medicine cabinet.  
Psychopharmacology works wonders, wonder will it work  
Psychopharmacology works wonders, wonder will it work  
Psychopharmacology works wonders, wonder will it work on me?  
(Psycho)  
On me...  
We'll see...
