

# Paul Young, Oh Girl

(Elliot Wolff / Howie Tee / Bryan Abrams / Mark Calderon / Kevin Thornton / Sam Watters)

Well there's not a bit of truth in what you hear  
Just a whole lot of jealousy out there smearin'  
My good name all over the place  
Just to get you thinkin' that I'm two faced  
But I would never go south  
I was never dreamin' of anybody else  
You're the only one I'd ever be with  
I got a whole lot to say but babe the truth is  
Chorus:

Ain't never gonna give you up  
Ain't never gonna let you down baby  
Ain't never gonna give you up  
Hey hey hey hey  
Yea yea yea  
Ain't never gonna give you up  
Yea yea yea  
Ain't never gonna let you down baby  
I wanna be right there for you so don't  
Believe another word cause all those low girls  
Only wanna put the split between us  
They keep getting off on all the fuss  
But I will always treat you  
Just the way I always I'd do  
You're the only one I'd ever be with  
I got a whole lot to say but babe the truth is  
Chorus  
Baby don't you know that I want to be with you  
Chorus
