

Paula Cole, Watch The Woman's Hands

Watch the woman's hands as she cultivates the land
as she plants the seed
as she's on her knees
Watch her fingers smile as she holds the little child
as she holds him
as she hold him
Whoah, Whoah
Watch the woman's hands as she holds the children back
from the danger, from the danger
Watch how they fight to keep the family tight
together, together

Chorus:

Whoah, Whoah,
Oh we need her, oh we need her, oh we need her, oh we need her
Oh we need her, oh we need her, oh we need her, oh oh we need her
Whoah

Watch the woman's hand as she talks to the man
as he talks down to her
as he tells her
he doesnt understand he doesnt the fisted hands
clenching tightly, angrily

Chorus:

Whoah, Whoah
Oh we need her, oh we need her, oh we need her, oh we need her
Oh we need her, oh we need her, oh we need her, oh we need,
oh oh we need her
Whoah Whoah
