

Paula DeAnda, Easy (Remix)

(feat. Bow Wow)

[Paula:]

Yeah

[Bow Wow:]

Yeah

Paula

Danger

[Verse: Paula]

I might be your young girl but I know how to have fun
I got them boys chasing me trying to make me the one
When I'm out shopping it's like having a gun
Whatever I wanna get, got damn boys cuttin' up

[Hook: Paula]

I know I'm a hot hot shorty
But you gotta slow down (slow down)
You don't know me (don't know me)
If you in a hot hot hurry
You gotta go now (go now), back up off me (off me)

[Chorus: Paula]

Ooh, Got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weaken your knees for me boy
Uh ooh, 'cause you are so damn easy
'Cause you are so damn easy
'Cause you are so damn easy

[Verse: Paula]

Ooh, I much rather than you think that I act like you know
Just because I'm a teen it don't mean that I'm slow
I think you're a cutie boy, but you're turning me off
Sometimes you gotta play hard to get and then it's on

[Hook: Paula]

I know I'm a hot hot shorty
But you gotta slow down
You don't know me
If you in a hot hot hurry
You gotta go now, back up off me

[Chorus: Paula]

Got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weaken your knees for me boy
Uh ooh, 'cause you are so damn easy
'Cause you are so damn easy
'Cause you are so damn easy

[Rap: Bow Wow]

I-am-Bow weezy
Lil' mama you so fine
What's it gonna take for you to be mine
Now let me upgrade ya
Don't listen to your friends they haters
And um them guys so lame
I'm way in biz they not the same
I am, far from a beginner
Put some on your wrist code like winter
Ain't no limit on the black card
Anything you want baby it's yours
You now rollin' with the best baby
Plus I know how to treat you lady
They call me the modern day LI Cool J
All I do is write girl spells
Bow Weezy hot like a sauna me and Paula
Now everybody on us
Holla back

[Chorus: Paula]

Got them going crazy you see

Uh ooh, head over heels for me ooh
Uh ooh, weaken your knees for me boy
Uh ooh, 'cause you are so damn easy
Got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weaken your knees for me boy
Uh ooh, 'cause you are so damn easy
