

# Paula DeAnda, Footprints Of My Heart

You don't even hold me like you used to hold me  
And that's the way you could've made all the things you told me  
Yeah, yeah  
I remember when you told me you'd never lie to me  
I can't believe I trusted you  
I sacrificed my time and my heart  
I gave you my all and what you do  
You stepped on me, you walked on me  
Boy you left your  
Footprints on my  
Heart broken crying over the way you left your  
Footprints on my  
Heart aching you ran all over me and left your  
Footprints on my heart  
My heart  
I know the way you were before me  
And I was crazy to think you'd change  
I put up with your attitude  
Your selfish ways and your childish games (whoa)  
A good heart always ends up broken  
But overtime, it'll make me strong  
I'ma put the pieces back together  
Might take some time, but I just go on  
You stepped on me, you walked on me  
Boy you left your  
Footprints on my  
Heart broken crying over the way you left your  
Footprints on my  
Heart aching you ran all over me and left your  
Footprints on my heart  
My heart  
Love me or leave me  
I don't mind  
My heart can't take this pain  
We had something so beautiful  
But now it's not the same  
So I gotta let this go  
Gotta take back the truth  
This situation makes no good for me  
I can't believe I let it happen like this  
I just sat back while you  
You stepped on me, you walked on me  
Boy you left your  
Footprints on my  
Heart broken crying over the way you left your  
Footprints on my  
Heart aching you ran all over me and left your  
Footprints on my heart  
My heart  
Ooh, whoa, ooh  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah  
Ooh
