Paula, Flashing Lights

Flashing Lights
Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I

Listen to the beat that broke my heart
Listen to the beat that got away
Baby we were two in one part
But tonight I'm all mine

I'm so over, so over
Yeah, I'm so over
Givin' my all to you
I gotta get over, gotta get over

I'll be lettin' go
Dancin' on the flo'
Gettin' over you
Nothing to can do
Let the music play
Until morning breaks
Nothin' in my way
I just wanna stay

Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I

Don't you come around, don't cry for me
Don't you come around I'm not the one
No don't hold me back when you set me free
Boy, tonight you're all yours, A A

I'm so over, so over
Yeah, I'm so over
Givin' my all to you
I gotta get over, gotta get over

I'll be lettin' go
Dancin' on the flo'
Gettin' over you
Nothing to can do
Let the music play
Until morning breaks
Nothin' in my way
I just wanna stay

Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I

Flashing lights blind my eyes
And I dream away
To the day we've faded away, away

(Dancin' in the flashing light I, I, I, I)
(Dancin' in the flashing light I, I, I, I)
(Dancin' in the flashing light I, I, I, I)
(Dancin' in the flashing light I, I, I, I)

Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I
Dancin' in the flashing light I, I, I, I

Dancin' in the flashing light I, I, I, I
