

Paula & Ovi, Playing With Fire

Girl, girl, girl can't you see
what you do to me, tonight
Boy, boy, boy, if you're mean
I will start a fight tonight
You and I we could try to stop
Oh boy till you drop
If we get together now
we'll burn this place down

You and me, can't you see,
we're playing with fire
Tell me now,
do you feel this burning desire?
Don't stop, make it rock,
it's taking us higher
Could it be just a dream?
Are you running away?

Boy, boy boy, want a fight?
Come and stay with me for night
Girl, girl, girl, are you sure
I ain't here to fight, alright?

You and I we could try to stop
Oh boy till you drop
If we get together now
we'll burn this place down

You and me, can't you see,
we're playing with fire
Tell me now,
do you feel this burning desire?
Don't stop, make it rock,
it's taking us higher
Could it be just a dream?
Are you running away?

You and me, can't you see,
we're playing with fire
Tell me now,
do you feel this burning desire?
Don't stop, make it rock,
it's taking us higher
Could it be just a dream?
Are you running away?

You and me, can't you see,
we're playing with fire
Tell me now,
do you feel this burning desire?
Don't stop, make it rock,
it's taking us higher
Could it be just a dream?
Are you running away?

If we get together now
we'll burn this place down
