Lyrics & music by Paweł Piotrowski

1.

Taking my steps with hesitation  
Not sure if I'm on the right pathway  
Need Your light and navigation  
Lead me on Mother every day

Chorus:

I'm lost like I am at a crossroads  
Please give my life the best direction  
You're my protection, You're my protection  
Oh, God's Mother, Mother, I know  
You're my protection, You're my protection  
Oh, God's Mother, Mother, I know

2.

Though I can't see You, You walk with me  
Though I can't hear You, You stay by me  
You just resolve every doubting  
Lead me on Mother every day

Chorus:

I'm lost like I am at a crossroads  
Please give my life the best direction  
You're my protection, You're my protection  
Oh, God's Mother, Mother, I know  
You're my protection, You're my protection  
Oh, God's Mother, Mother, I know
