Paweł Pomazan, A Love Worth Waiting For

If you should ever want to be set free If you're not certain your future lies with me I'll let you go, girl until your heart is sure It's a love worth waiting for. Now I won't stop you from leaving 'cos I know The way to keep you would be to let you go. And I'm prepared to wait a thousand years or more It's a love worth waiting for. If you should leave me oh please remember in my heart there's a fire A flame of desire for your charms. I will keep you alive this glowing ember. A love that will burn until you're back in my arms. You know my darling I need you here with me But only to stay because it's where you ought to be. 'Cos I'm prepared to wait a thousand years or more It's a love worth waiting for. In my heart there's a fire A flame of desire for your charms. A love that will burn until You're back in my arms. You know my darling I need you here with me
