

Peabo Bryson, Kiss Kiss

when you look at me
tell me what you see?
this is what you get
it's the way i am
when i look at you
i wanna be i wanna be
somewhere close to heaven
with neanderthal man
don't go
i know you wanna touch me
here there and everywhere
sparks fly when we are together
you cant deny the facts of life
you dont have to act like a star try your moves in the back of a car
dont you know that we can go far
cause tonight youre gonna get my
(mwaa) (mwaa)
kiss kiss
you can be mine
baby whats you starsign
wont you take a step
into the lions den
i can here my conscience calling me
calling me
say im gonna be a bad girl again
why dont you come on over
we cant leave this all undone
got the devil on my shoulder
theres no place for you to run
you dont have to act like a star
try your moves in the back of a car
dont you know that we can go far
cause tonight im gonna get my
(mwaa)(mwaa)
If you forget
ill remind you
if youre paranoid
im behind you
you lose your head
ill find you
sendin' you my kiss
if you forget
ill remind you
if youre paranoid
im behind you
you lose your head
ill find you
kiss kiss
you dont have to act like a star
try your moves in the back of a car
dont you know that we can go far
cause tonight youre gonna get my
(mwaa)(mwaa)
You dont have to act like a snob
try your moves in the back of a car
dont you know that we can go far
cause tonight your gonna get my
(mwaa)(mwaa)
Dont play the games that you play
you know that i wont run away
why are you askin me to stay
cause tonight im gonna give you my
(mwaa)(mwaa)
